Setting Up Nochex as a Payment Option

- With the Nochex payments module installed you can not only accept credit card payments but also Nochex members can pay using their Nochex account.
- Customers don't even need a Nochex account to make payments through Nochex making it quick and easy for customers to make payments.
- Nochex uses anti-fraud protection like 3D Secure – the leading “Internet Authentication Protocol” designed by Visa and MasterCard, to ensure your customers can make payments in confidence.
- Emails are sent directly from Nochex giving payment confirmation both to the customer and the seller.

The installation instructions below explain how to setup Nochex as a payment option in ClickCartPro.

Installation Instructions

1. Firstly **Login** to your ClickCartPro account.

2. Then select **Commerce: Orders and Checkout** from the menu and then click **Manage Processing Gateways**.

3. Find the Nochex option and click on **Update**.
