

## Recurring Payments Walkthrough – Create a Recurring Payment Button

*A step by step guide to integrating Nochex with  
your website*

*All the information you need to be up and running  
with your account*

**IMPORTANT**

Customers are always recommended to back up their code before making any significant changes, such as the ones detailed in this document.

- Firstly go to the Nochex website, and login to your Nochex account

## Control Panel

<b>ACCOUNT DETAILS</b> Name:  Email:	<b>FINANCIAL DETAILS</b> Debit Card Status: <a href="#">Click to Register</a> Bank Status: <a href="#">Click to Register</a>	Credit Card Status: <a href="#">Click to Register</a>	<b>TERMS &amp; CONDITIONS</b> Framework Terms: <ul style="list-style-type: none"> <li>• Current Terms</li> </ul> Term Sheet: <ul style="list-style-type: none"> <li>• Current Terms</li> </ul>
Account Type <b>Merchant</b>		Current Balance <b>£0.00</b>	
Reserve Balance <b>£0.00</b>		Auto Sweep <b>Enabled</b>	
ACCOUNT MANAGEMENT CONTACT DETAILS: Tel : 0113 346 6207 Email : Merchant@nochex.com <a href="#">Like</a> <a href="#">Follow @nochex</a>			

- Once you have logged into your Nochex Control Panel, select View schedules to see 'current schedules'.

## Merchant Schedule Details

Your account allows you to enroll your customers in an automated billing cycle for subscriptions.

[View failed transactions](#)

SEARCH SCHEDULES ▾

Search by customers email address
  Search by Email

There are currently no recurring schedules setup on your account.

- Press 'Create a new Schedule button', which will load the Recurring Payment Button generator.

## Create a Recurring Payment Button

<b>RECURRING PAYMENT DETAILS</b> Nochex Merchant ID: <input type="text" value="jameslugton2016@outlook.com"/> Order ID (optional): <input type="text"/> Description: <input type="text"/> Billing cycle: <input type="text" value="1"/> Months		Billing amount each cycle £: <input type="text"/> <input type="checkbox"/> Initial amount differs from recurring amount? After how many cycles should billing stop?: <input type="text" value="Never"/>
<b>BUTTON CUSTOMISATION</b> Button Type: <input type="text" value="Subscribe"/> Preview: <input type="button" value="Subscribe"/>		<input type="button" value="Create HTML Code"/>

- Next, enter the relevant information into the boxes.

Nochex Email Address/ Merchant ID: **The Nochex Email Address/ Merchant ID for your Nochex account for Recurring Payments.**

Order ID: **The Order ID for a particular transaction that takes place.**

Description: **The description of the payment.**

Billing Amount each cycle: **An Amount to be taken each payment cycle.**

Billing Cycle: **A Time period for each cycle that takes place.**

After how many cycles should billing stop? : **How many occurrences of the payment cycle.**

Button Type: **Select the type of button that you want to display on to your website. Note: There is an option to add a custom payment button, which you can attach a URL to the image you want to use for the recurring payment button.**

- Once completed, Press 'Create HTML code'.

Create HTML Code

- After pressing the 'Create HTML code'. A page containing the HTML that can be used on your website and a preview of the button is displayed

#### FRIENDLY DESCRIPTION

A recurring payment will be set up for £2 to be paid every Year.  
The recurring payments will continue until a cancel request is placed.

#### GENERATED HTML CODE
